THANKSGIVING PRAYER—Since the pilgrims of the Plymouth Colony thanked God for their first harvest in 1620, Thanksgiving prayer has been America's oldest and simplest tradition. Now, as then, families across the nation set apart a few minutes of festive Thanksgiving Day in which to solemnly thank God for the blessings of liberty and the fruits of the humble earth. Above, Donald N. Harding of the Moody Bible Institute portrays the sacred custom that originated with the settlers of this country.

Receipts Reported From Football Year

Of interest to football fans and just plain citizens of Hamlin is a report released by Superintendent I. R. Huchingson relative to the receipts from football games engaged in during the season just completed.

Receipts from the games are split on a 50-50 basis between the home and visiting teams and the figures released are net return after federal tax and pay of officials is deducted.

The figures:

MIGHTY MICE & "B" TEAM	
Haskell	40.65
Stamford	40.92
Anson and McCaulley	34.14
Matson	38.40
Total	\$154.13
PIED PIPERS	
Stamford	667.10
Haskell	626.38
Anson	507.88
Spur	329.55
Roby	200.00
Roscoe	348.10
Merkel	449.44
Snyder	245.10
Colorado City	502.22
Rotan	245.57
Total	\$4,221.34

These figures reflect that the greatest turnout came for the initial game of the season with the Stamford Bulldogs and the net for the Rotan game was the greatest flop of the home games.

Sister of Mrs. McCrary Passes in New Mexico

Mrs. Joe McCrary was called to Hope, New Mexico, Friday by the death of a sister-in-law, Mrs. Will Killen.

Funeral for the deceased woman was held Saturday and burial was in an Artesia, New Mexico, cemetery.

Mrs. McCrary remained over for the services and subsequent aid to her brother.

Mr. and Mrs. Onis Crawford and two sons left Hamlin Monday for a week of visiting in the Palestine sector of the state. They are expected to return Saturday from the short vacation.

Field Representative of Bethany-Penial College To Address Church of Nazarene

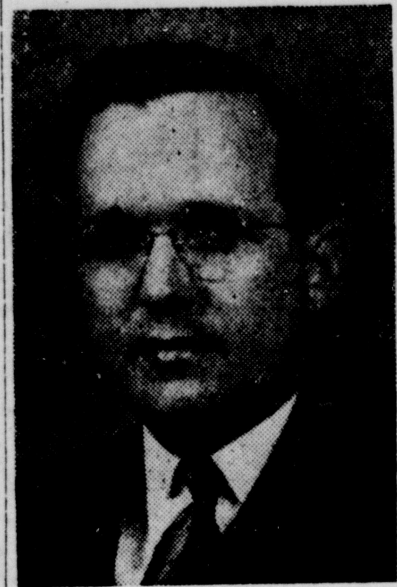

Rev. Cecil Knippers, field Representative of the Bethany-Penial College at Bethany, Oklahoma will speak at the local Church of the Nazarene this Sunday, according to an announcement by Rev. Howard Smith, pastor.

Rev. Knippers will present the offerings of the college to interested students and several special music number will be rendered.

Services will begin at 7:00 p. m. and Rev. Knippers will deliver the message. A hearty invitation to all people is extended by the church to attend.

Lee Rawlings Asks For Replacement At Church of Christ

Lee E. Rawlings, minister of the Hamlin Church of Christ for the past 15 months has extended his resignation effective December 3 to accept the post of minister at the Church of Christ in Burbank, California.

He will work with that congregation on Sunday, December 10.

During the period of his work with the Hamlin church 61 have been added to the membership enrollment; the largest Vacation Bible School ever to be conducted in Hamlin was held with 319 enrolled and 287 attending; the ladies' Bible class attendance has averaged better than 40 per session; all-time high Bible School attendance record set with a record high monthly average attendance per Lord's Day for the Bible school reached; over 1,200 visitation calls were made during 1950 by the ladies of the congregation in an organized visitation program, with 54 different ladies participating; contributions and attendance figures have all shown a decided increase over the other years; also an extensive mission work is being conducted monthly in Japan, Old Mexico and Maine.

During his stay here he has also been active in varied civic affairs, having spoken before the Lions Club, Rotary Club, Parent-Teachers Association, the local High School Assembly and last

Deer Hunters Return From Mason County

Holly and Holly Pardue Toler returned late last week from a deer hunting trip into Mason County and Holly Pardue was the proud possessor of two deer as trophies of his prowess. His father was less fortunate and did not get a shot.

Another Hamlin party composed of W. C. Russell, Stan and Art Carmichael, E. J. Whaley, and Dickie Ferguson returned Tuesday night from another lease in Mason County. Stan Carmichael got one buck and E. J. Whaley bagged two. Otherwise the Hamlin group had to be content with memories of a pleasant experience.

Minstrel Nets Sum For Lions Charities

A packed house on the lower floor of the high school auditorium greeted the presentation of the Lions Minstrel last Thursday night. True to the prediction of The Herald in the last issue, the event was a howling success.

Unexpected hit portion of the presentation was the skit performed by Nig Stringer, Walter Chalcraft and imported talent in the person of A. R. Posey.

Rev. Posey was a late added attraction to the cast and the manner in which he performed on the drums brought the house down. Stringer was at the piano and contributed a torrid rendition of the "Saint Louis Blues" as a vocal treat.

Chalcraft did his usual excellent job on his horn and the trio had the crowd howling for more. All returns from individual sale of the tickets for the minstrel had not come in, but it is estimated that an excess of \$200.00 will accrue to the Lion treasury. This amount will be added to the charitable activities fund of the club to assist in carrying on the activities of this sort carried on as a permanent project.

Frank O. McIntosh is visiting in the home of Mr. and Mrs. Tate May. Mrs. May is a sister to Mr. McIntosh.

Spring delivered the annual High School baccalaureate sermon. The change represents an advancement for Mr. Rawlings.

Lt. Garrett White Awarded Air Medal

Lieutenant junior grade Garrett A. White Jr., son of Mr. and Mrs. Lewis Yates, Hamlin, has been awarded the Navy's Air Medal for achievement in action against North Korea.

Lt. White's permanent citation for the decoration which was previously awarded him on a temporary citation, was forwarded with congratulations from the Chief of Naval Personnel.

Decoration was for "meritorious achievement in aerial flight as pilot of a fighter plane in Composite Squadron Three, attached action against enemy North Korean forces from July 22 to August 17, 1950."

He flew in numerous strikes during this period, pressing home attacks despite enemy anti-aircraft fire, and contributed to the destroying or damaging of enemy locomotives, box cars and tank cars in the Sinnak area, and trucks and a railroad bridge at Kwangju. At Yongdong and Chingju, he carried out strafing and rocket attacks on troops and equipment, and rocketed a hostile anti-aircraft emplacement near Seoul to cover other elements making attacks on a vital railroad bridge.

"His daring airmanship, courage devotion to duty reflect the highest credit upon Lt. (jg) White and the United States Naval Service," the citation closes.

Mrs. Sadak Returns To Washington Home

Mrs. M. G. Sadak and sons, Omar and Kamie, will return to Washington, D. C., Sunday after a two month visit in the home of her mother, Mrs. B. Hassen.

Mrs. Sadak enjoyed the extended visit to her mother while her husband was on a European trip and will return to Washington to greet him.

Mays To Dallas for Saturday's Football

Mr. and Mrs. Tate May will be accompanied on a trip to Dallas Thursday by F. O. McIntosh and daughter, Frankie, from San Antonio, where they will attend the Baylor-SMU football game.

The party will be joined at Dallas by James Tate May.

Pipers Victors In Rotan Final

Hamlin's Pied Pipers took to the gridiron for their season's finale Friday night against the Rotan Yellowhammers and the result of the contest was never in doubt.

Rotan, which has been the doormat of District 6-A for the entire season appeared to be ill-disposed to offer opposition to the attack of the Pipers and when the smoke of battle had cleared the tally totaled 61-6 for the Hamlin eleven.

Piper fans in the stands were convinced early that Edward Velez, Rotan lineman, was the only member of that team with any determination to make a stand against the advance of the Pipers during the festivities of the evening.

So one-sided was the contest that Hamlin was only able to register one first down in the first half despite a 38-6 advantage in the scoring. Scoring rules do not permit the crediting of a first down when a score is tallied, and each time that the Pipers gained possession of the ball they were able to score before their allotment of four downs had been used up.

When it became evident that there would be no contest in scoring from the Yellowhammers, the Pipers were permitted to operate as they pleased by Head Coach Jess Burditt and many unorthodox formations resulted from the resultant experimenting which a frolicking Hamlin team employed.

The game started with Hamlin winning the toss and receiving the kickoff. Don Gregory grabbed the ball and brought it back to the Hamlin 37 before he was pulled down. Three downs did not pick up the yardage and Hamlin punted to the Rotan 26.

Two plays from scrimmage by the Yellowhammers netted a fumble on their 30 which Ronald Armstrong recovered for Hamlin.

On the second play from scrimmage at this point, Don Gregory burst into the clear and dashed 32 yards across the goal stripe for the initial marker of the night. W. T. Stapler was unable to set his sights and missed the try for point after touchdown.

Stapler kicked off to the Rotan 15 and the ball was returned to the 26. Two plays brought another fumble and again Hamlin had possession of the ball in Rotan territory. Gregory immediately established the fact that his first jaunt was no fluke by dashing for 26 yards and another Piper marker. Again Stapler missed the upright to keep the score at a 12-0 margin.

Another Hamlin kickoff produced a Rotan fumble on the first play from scrimmage. Weems, leading threat of the Yellowhammers, was having trouble keeping the leather on the early-game offense of that club.

The Hamlin recovery of this fumble brought the first pass attempt of the night from the Pipers and Billy Sutherland tossed a beauty toward Asa Goodgame. An over-anxious Rotan defender was plainly guilty of pass-interference and Hamlin had the ball on the Rotan 10. Sugar Green picked up eight yards on his carry and after one play was halted, he crossed the double stripe for another Hamlin six point. Stapler started shaking his head as he again missed the point. Score: Hamlin 18, Rotan 0.

Stapler kicked again for the third time in the first quarter

and the Pipers threw up a stout defense that would not let the Yellowhammers advance. When Rotan dallied in getting their first punt away, the Hamlin mass descended upon him and blocked the kick to permit a cover on the Rotan two yard line as the quarter ended.

Milton Butler and a practically complete new Hamlin lineup entered the fray and Butler had no difficulty in crossing the goal line on the first play of the second quarter. When Stapler again failed in his conversion attempt, the count remained at 24-0 Hamlin.

Rotan lined up wearily for another reception of the kickoff but could not advance the ball past their 38. A fine Rotan boot of the pignisk for 39 yards appeared to have gotten them out of trouble until Milton Butler gathered it in on the Hamlin 25 and set sail for the Rotan goal. Fine blocking and shifty running permitted Butler to cross the payoff station without being slowed up in his dash. The dash netted 75 yards to the Hamlin rushing total for the night. "Stapler got the kick in the groove for the point and the score continued to mount.

With the first-string line and backfield resting on the sidelines, Rotan staged a concerted drive on the ensuing kickoff and marched 78 yards to a touchdown and the first Yellowhammer tally of the night. This drive was featured by the ball-carrying of Mickey Martin. The same Mr. Martin put a cap on the march with a scamper for the TD which netted 25 yards. Try for point failed and Hamlin maintained a lead of 31 to 6.

Little Joe Don Hymer gathered in the Rotan kickoff and almost got away to go the distance but was downed on the Rotan 37.

Troyce Hargrove made a 37-yard personally conducted tour to the goal on the first play from scrimmage. Again Stapler found the range and chalked the conversion point up on the ledger.

Score, Hamlin 38, Rotan 6. An exchange of kickoff and a punt brought no further scoring before the half ended.

Start of the second half brought comedy into the ball game as the Piper linemen and backs exchanged positions at will and tried each other's specialties. One of the resultant combinations found Don Rowland at center, Hub Hopper and Asa Goodgame in the backfield and sylphlike Jerry Carr at end.

Asa Goodgame got off a booming 16-yard punt after running-up to the line of scrimmage to make certain that this yardage would not be subtracted from his total.

Sugar Green came up with a 40 yard punt return which spotted the ball on the Rotan 22 but a 15 yard holding penalty set the Pipers back to the 37. With a 25 yard deficit staring them in the face, the Hamlin board of strategy called on their man-of-all work and sent Stapler crashing around end to outspeed the Rotan secondary on a 37-yard gallop. Sugar Green took a pass in the end zone for the point after touchdown. Hamlin 45, Rotan, 6.

Jigger Rowland got all of his weight into a low bounding kick which was allowed to roll over the goal line and Rotan half-heartedly began another assault on the

patchwork Hamlin defense. The defense refused to yield and Rotan got off a quick-kick which carried to mid-field. A penalty set Hamlin back another five yards. Two plays later Butler got away for 40 yards to place the ball down on the Rotan eight. Hargrove was jarred loose from the ball and Rotan took over at that point.

A beautiful 53-yard punt nailed Hamlin down on their own 40 and Hargrove was dropped for a loss back to the 30. Then Butler took another tour into Rotan territory and planted the oval on the 10-yard stripe.

Without making an effort to score from scrimmage, Burditt sent Stapler in to the ball game to try a field goal from an angle. Stapler booted it straight for the crossbar and three points added to the total.

The third quarter ended as Rotan had racked up a first down on the 37 yard line.

Rotan elected to try a passing game as the fourth quarter got under way and Glenn Smith put a stop to this portion of the program with a leaping interception on the Hamlin 35 and dashed unmolested the 65 yards to pay dirt.

Ronald Armstrong put in his claim as a goal-kicker extraordinary and took his position for the attempt. A bad pass from center got by the receiver and Armstrong picked up the bounding leather to run around left for the point.

Rotan again received and managed to work the ball past the midfield stripe before losing it on downs when their passes failed to find a receiver.

Glenn Smith started the trek goalward for Hamlin with a 16 yard pickup and then Hymer put the climax on the evening with a 37-yard run to Rotan's goal. Don Elmore threw a beautiful block on a Rotan defender to clear Hymer for the final ten yards.

Hymer also tried for the point after touchdown and failed to get the ball past the rushing Rotan forwards.

Burditt let his first string return to the game to play their last quarter as a football unit. The instructions were that this combination could reenter the ball game if they would not score over the futile Yellowhammers. This group worked their defenses to keep the ball beyond the midfield stripe until the final play of the game.

Tuffy Ford tucked away a Rotan punt and started on a 40-yard return that found him in danger of going all the way for a score. So Ford reversed his field twice and reduced his speed to a trot before Velez rushed in to down him as the final gun sounded.

Comedy highlights of the game were Goodgame's punt, Hub Hopper's almost complete miss of the ball on a kickoff attempt and an attempt at a lateral by Stapler after he had caught a pass. The big Stapler simply refused to be taken from his feet and stood motionless with the ball trying to find an eligible man to whom he could lateral.

Tragedy of the evening was to be found in the fact that Garland Fletcher was unable to connect for one of the 61 scores. Fletcher has played his last football for the Green and White and has never scored a touchdown in a scheduled game.

Lackland Air Force Base Fits Pvt. Rodgers

Pvt. James E. Rodgers, 20, son of Mr. and Mrs. Ed Rodgers of Route 1, Hamlin has completed his Air Force basic airman indoctrination course at Lackland Air Force Base, San Antonio.

Completion of this course prepared him for entrance into AF technical training and for assignment into specialized work.

Mr. and Mrs. Bill Shira will leave Tuesday for New York to see Army play football. Norris Shira is a squad member.

F. F. A. Officers Hold Contest at Abilene

Officers of the Hamlin chapter of the Future Farmers of America will attend a chapter conducting contest to be held in Abilene next Wednesday, November 29.

The contest will be held for chapters in the Abilene district and only chapter officers will participate as representatives.

James Buchanan was the only bachelor president.

Camels and pigs are said to be unable to swim.

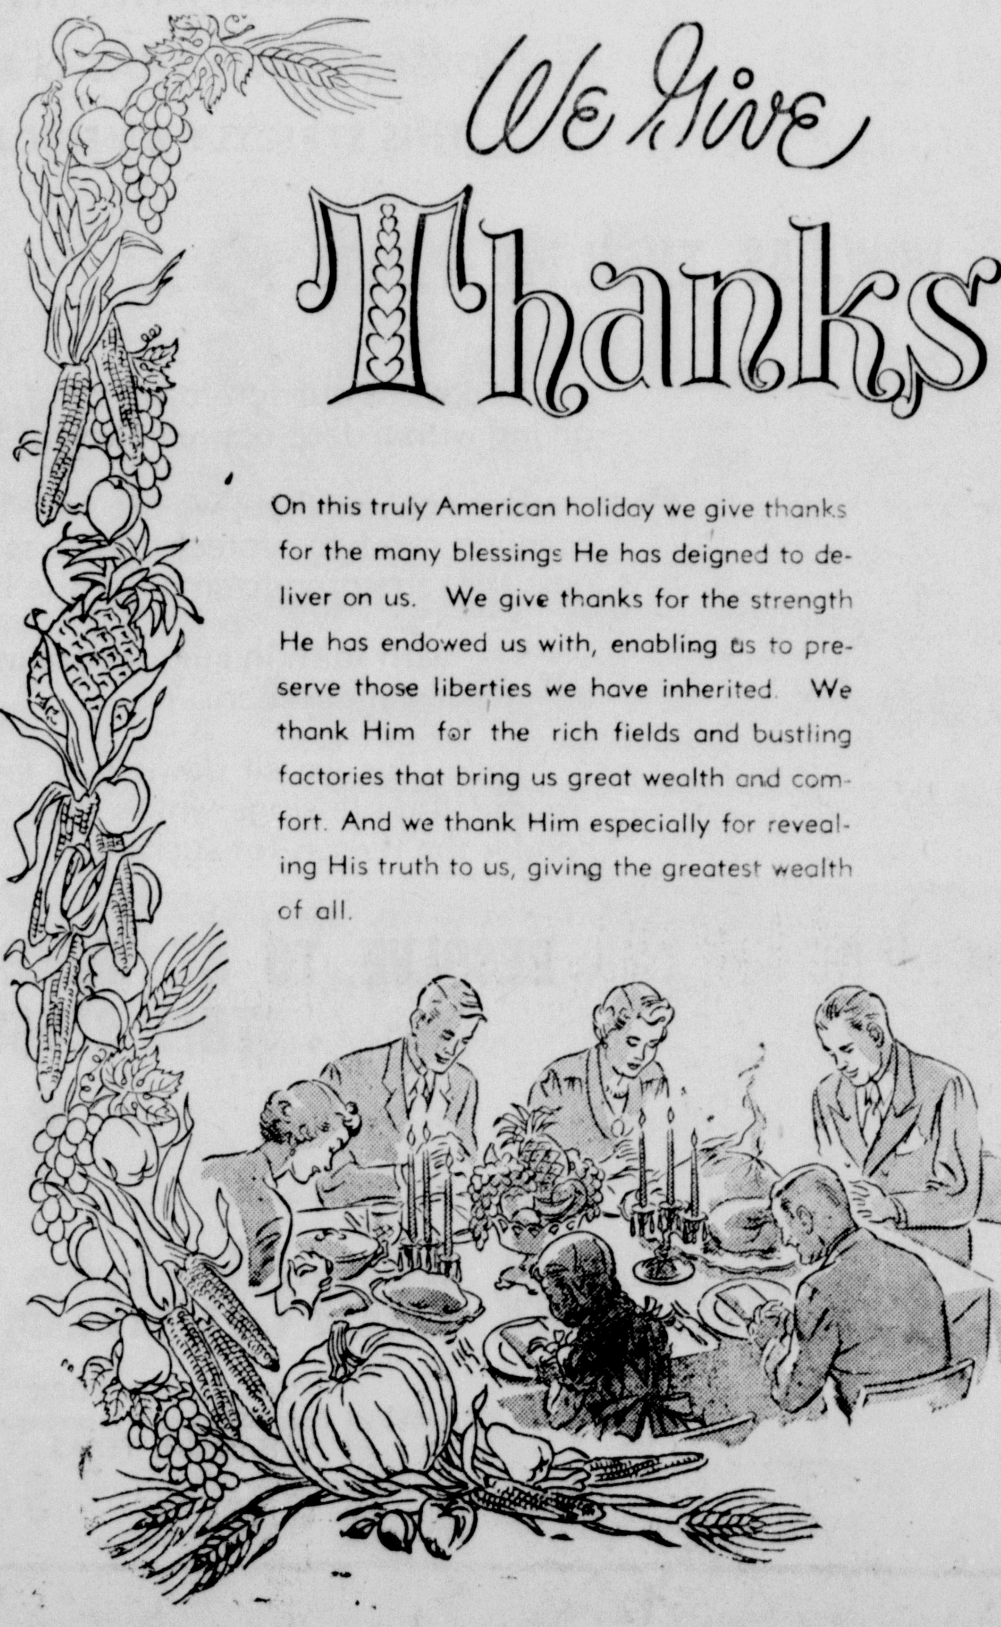

De Priest School Queen Slated to Be Crowned

De Priest School queen will be crowned next Thursday evening, according to a report made The Herald.

A short program will precede the crowning and afterwards free refreshments will be served.

Candidates are: Joanne Logan, Vinita Mayfield, Ellen Dock Jones and Emma Lou Greene.

Mrs. D. W. Carlton returned from Wills Point, Tuesday, after visiting her mother, Mrs. Mary F. Clark, who is seriously ill.

On this truly American holiday we give thanks for the many blessings He has deigned to deliver on us. We give thanks for the strength He has endowed us with, enabling us to preserve those liberties we have inherited. We thank Him for the rich fields and bustling factories that bring us great wealth and comfort. And we thank Him especially for revealing His truth to us, giving the greatest wealth of all.

Thanksgiving

COMES AGAIN WITH THE TRADITIONAL
OBSERVATION THAT IS RESERVED FOR
THIS STRICTLY AMERICAN HOLIDAY.

NOW, AS THEN, WE PAUSE . . .

Today, as our forefathers did, we celebrate Thanksgiving with a deep appreciation of His generosity.

But now, as then, we are faced with the necessity of carrying arms to protect ourselves from forces of darkness that threaten to smother the light of liberty.

Yet, with faith in Him we are certain that liberty will conquer, as it did then.

Today, as we sit down to a bountiful feast, let us regard the blessings which are found here alone, and ponder the reason for such favor.

**RESOLVE TO BE MORE WORTHY OF
THIS BLESSING**

HAMLIN, TEXAS

MIDGET MELONS—Two junior-sized watermelons, one of which weighs only two pounds, are held by little Edie Anne Spezza at California's Los Angeles County Fair. The newest member of the melon family will probably meet with the complete approval of the poor housewife who has found its weightier brothers difficult to carry and impossible to cram into a refrigerator.

Because her father, Prince Philip of England, also holds the title Duke of Edinburgh, little Princess Anne is receiving this bale of long-staple cotton as a gift from the city of Edinburg, Texas. The Texas town did the cotton bale up in real Scotch fashion, using the Edinburg plaid for baling fabric. Perched atop the bale is Jesse Stephens of Edinburg, Texas, who helped give the bale a push over the hill. The bale of fine long-staple cotton will make the tiny Princess a lovely of many a young man.

"MALIK" STANDS PAT—In a pet shop in Rome, Italy, four-month-old "Malik," the owl, strikes a veto attitude and turns his back on his spectators. Priced at 12,000 lire (about \$15), Malik stands 16 inches high and has a wingspread of more than three-and-a-half feet.

TACKLES EMBROIDERY—Six-foot-four Jack Trebilcock, 205-pound right tackle for DeAndreis high school in St. Louis, relaxes with embroidery before kick-off time. Engrossed with a "Lazy Daisy" stitch, the husky grid star says, "I do a little work before each game. It calms my nerves." You can bet that he takes plenty of needling from his team mates.

FIGHTER FAKES PAL'S POUNDAGE—There's no telling whether Battling Barney, right, really weighs 6 1/2 pounds, as advertised, for his bewhiskered and striped sparring partner, Worcestershire Wally, seems to have a couple of thumbs on the scale. The cub fighters were born in a London zoo and Barney appears to have already gutted himself on the front page of a newspaper.

BACK WITH BEARD—Red-headed Jim Williston, a senior at Beloit College in Wisconsin, came back from a three-month tour of Europe with an impressive beard and a hilarious story. While in Paris, the freckled collegian was forced to attend the opera in white tie and shorts because his trousers didn't get back from the cleaners in time.

SUPER CYPRESS—Tennessee Game and Fish Commission officials believe this giant swamp cypress near Memphis to be the biggest and oldest tree east of the Rockies. Measuring 140 feet tall and 22 feet in diameter, the tree is estimated to be at least 1000 years old. Note the comparative size of the man standing at the tree's base.

Before investing in a going concern, make sure you know which way it's going.

THE HAMLIN HERALD

McCaulley News

By VIVIAN SHORT

Last week was a dusty, dry week, and we are hoping this week will be a wet one.

The Turner Houghtons of Roby were Sunday guests in the home of the Sherman Houghtons last week.

Mrs. Frank Jackson opened the New Cafe for business here Tuesday.

R. B. Henington resumed his regular duties as postmaster last Thursday. He suffered a broken rib a few days ago.

Attending the Workers Con-

ference at Sylvester last Wednesday were: Rev. L. R. Stucky and family and Miss Ruby Hennington.

Mrs. Levi McCollum returned Saturday from Cuba, Alabama where she spent a few days with her mother, Mrs. R. L. May.

E. L. Short of Cisco was an overnight guest last Wednesday in the home of his nephew, Ben Short.

W. T. Farrow is home from Lubbock, where he has been taking treatments in a clinic there. His condition is reported much improved.

Jess Humphries, the local barber, is a patient in the Hamlin Memorial Hospital. Mrs. Humphries is also a patient there.

S. E. Miers has returned after a long visit with his daughter and family of Pecos, the Sim Reeves.

Mrs. Henry Graham and Mrs. Leo Masser and son visited re-

latives in Abilene last Friday. Bonnie-Beth Jones was a weekend guest of her parents, the Cloyce Jones.

Superintendent Leldon Clifton and wife of Rotan were Sunday visitors in the home of the F. L. Rectors.

Week-end guests in the home of Jean and Sarah Kean were: Juanita Early of Celotex and Jane Bettye of Hamlin.

Mr. and Mrs. J. T. Rhoten visited Sunday in the home of their son, Robert Rhoten and family of Hinton.

Mrs. Dick Maberry of Hamlin attended the funeral last Monday of Jim Humphries.

The Gleaners Sunday School Class of the Baptist Church had a class meeting last Thursday in the home of Mrs. C. A. Ferguson. A total of 10 members were present. Mrs. Ben Short is teacher.

Mr. and Mrs. Albert George are the happy owners of a new 1950 tan color Dodge.

The Ben Shorts have improved their home by adding a new asbestos shingle roof and white asbestos siding. A new garage is to be added soon.

The Will Davisons have just built a double garage to house their two new cars.

Mrs. Hallie R. McFatter has been ill the past week and the report is, she is slowly improving.

Last Saturday at the school lunch room Mrs. Leo Emmott of Beloit, Kansas taught a textile painting process to 14 ladies of the community. She is the daughter of the W. C. Lees.

A Thought to Remember:— Sometimes when I consider what tremendous consequences come from little things—a chance word, a tap on the shoulder, or a sympathetic smile. I am tempted to

think there are no little things. So Long—I'll be newsing you!

Thelma Cohorn of Hamlin has returned home from a Stamford hospital after receiving medical and surgical treatment for six days.

Cleave means both to stick together and to part.

Daffodils Make for Permanent Beauty In Average Flower Garden of Today

Daffodils are a permanent investment in springtime loveliness. You plant them as early as they can be obtained this fall and they will bloom without question next April or May and for many springs thereafter, usually increasing their numbers with each new blooming season. You can lift and store the bulbs after they have flowered and the foliage has ripened, but most gardeners set out annual flowering plants between and over them and allow them to remain in the ground undisturbed until they need to be separated. Then, replant them at once or store the bulbs for a short period and replant in early September.

No other hardy bulbs are easier to grow than daffodils. They require a soil of only average fertility and they may be planted in sun or semi-shade. They flower best in a moist but well drained site in groups in the flower borders, in natural colonies under trees and shrubs and in drifts on

the lawn, along the woodland path or in other gardens of native plants. Legend places them by the pool side, the garden brook and pond where reflections double their beauty.

Their bright white, yellow, orange, vivid orange-scarlet and

delicate pink colors are a cheerful fulfillment of spring wherever they are seen. They are well displayed amid their own foliage and against the dark green of yew, hemlock, juniper and other evergreen trees. The mountain laurel, the andromedas, rhododendrons, azaleas and leucothoe are broadleaved evergreens that are congenial daffodil companions. Flowering crabapples, peach and plum trees, star magnolia, flowering quince and Thunberg spirea are among the deciduous shrubs and trees that are in flower with them.

Lower - growing materials that can be combined with daffodils include the moss pink (phlox subulata), the blue - pink Virginia bluebell (mertensia), white rock-

cross (arabis alpina) and, of course, blue grape hyacinths (muscari). These pert, minute hyacinth spikes come in colors that combine readily with all daffodil flowers while their low stature assures a grouping of finished form. Late flowering daffodils can be naturalized with bleeding hearts and blue phlox divaricata in the regular garden border.

There are numerous flowering types among the daffodils and all of them are worthy of the gardener's attention. There are the large trumpet daffodils, which along with the medium trumpet and large-cupped incomparabilis and the shore-cupped Barri and Leeds types are particularly showy in groups of six to 12 or more in the regular flower borders. The bunch-flowered Poetaz, the Jonquills and the fragrant double daffodils also are right at home in border groupings and in spot plantings beside the garden terrace, bench or gate.

The short, scarlet-cupped poets, the jonquills and other short cup and medium trumpet types are especially suited to planting in drifts and groups to obtain natural effects. Most of the trumpets

and incomparabilis types can be used in this manner also. And remember that practically all daffodils furnish excellent cut flowers. They usually are the first flowers to be cut and brought in after a long winter and as such they bring a beauty and fragrance to the home that is unsurpassed by the flowers to follow.

Bulbs are spaced six to eight inches apart in planting pockets dug at least six and one-half inches deep. A handful of bone meal, dried manure or other plant food is worked into each square foot of soil beneath the bulbs and they are seated on a thin layer of sand or soil free of plant food. Then the top soil is replaced carefully around and over the bulbs. A mulch of leaves, hay or straw can be placed over the bulbs, after the surface of the soil has frozen. Take this mulch off gradually starting in March or when the growing tips appear.

Some of these radio announcers should change their line and just frankly say: "Due to conditions beyond our control, we present the program originally scheduled for this time."

Sleeping Comfort FOR SALE!

Let us show you
what Modern
Automatic Sleeping
Comfort can mean
to you!

The best aid to health and beauty is a good night's sleep. You will fall asleep faster and sleep sounder in a bed that is warm all over and stays that way all night. With a G-E Automatic Blanket, you can select the personal warmth you like best. Just set the dial on the bed-side control... this "just-right" warmth is automatically maintained... regardless of temperature changes... all night long.

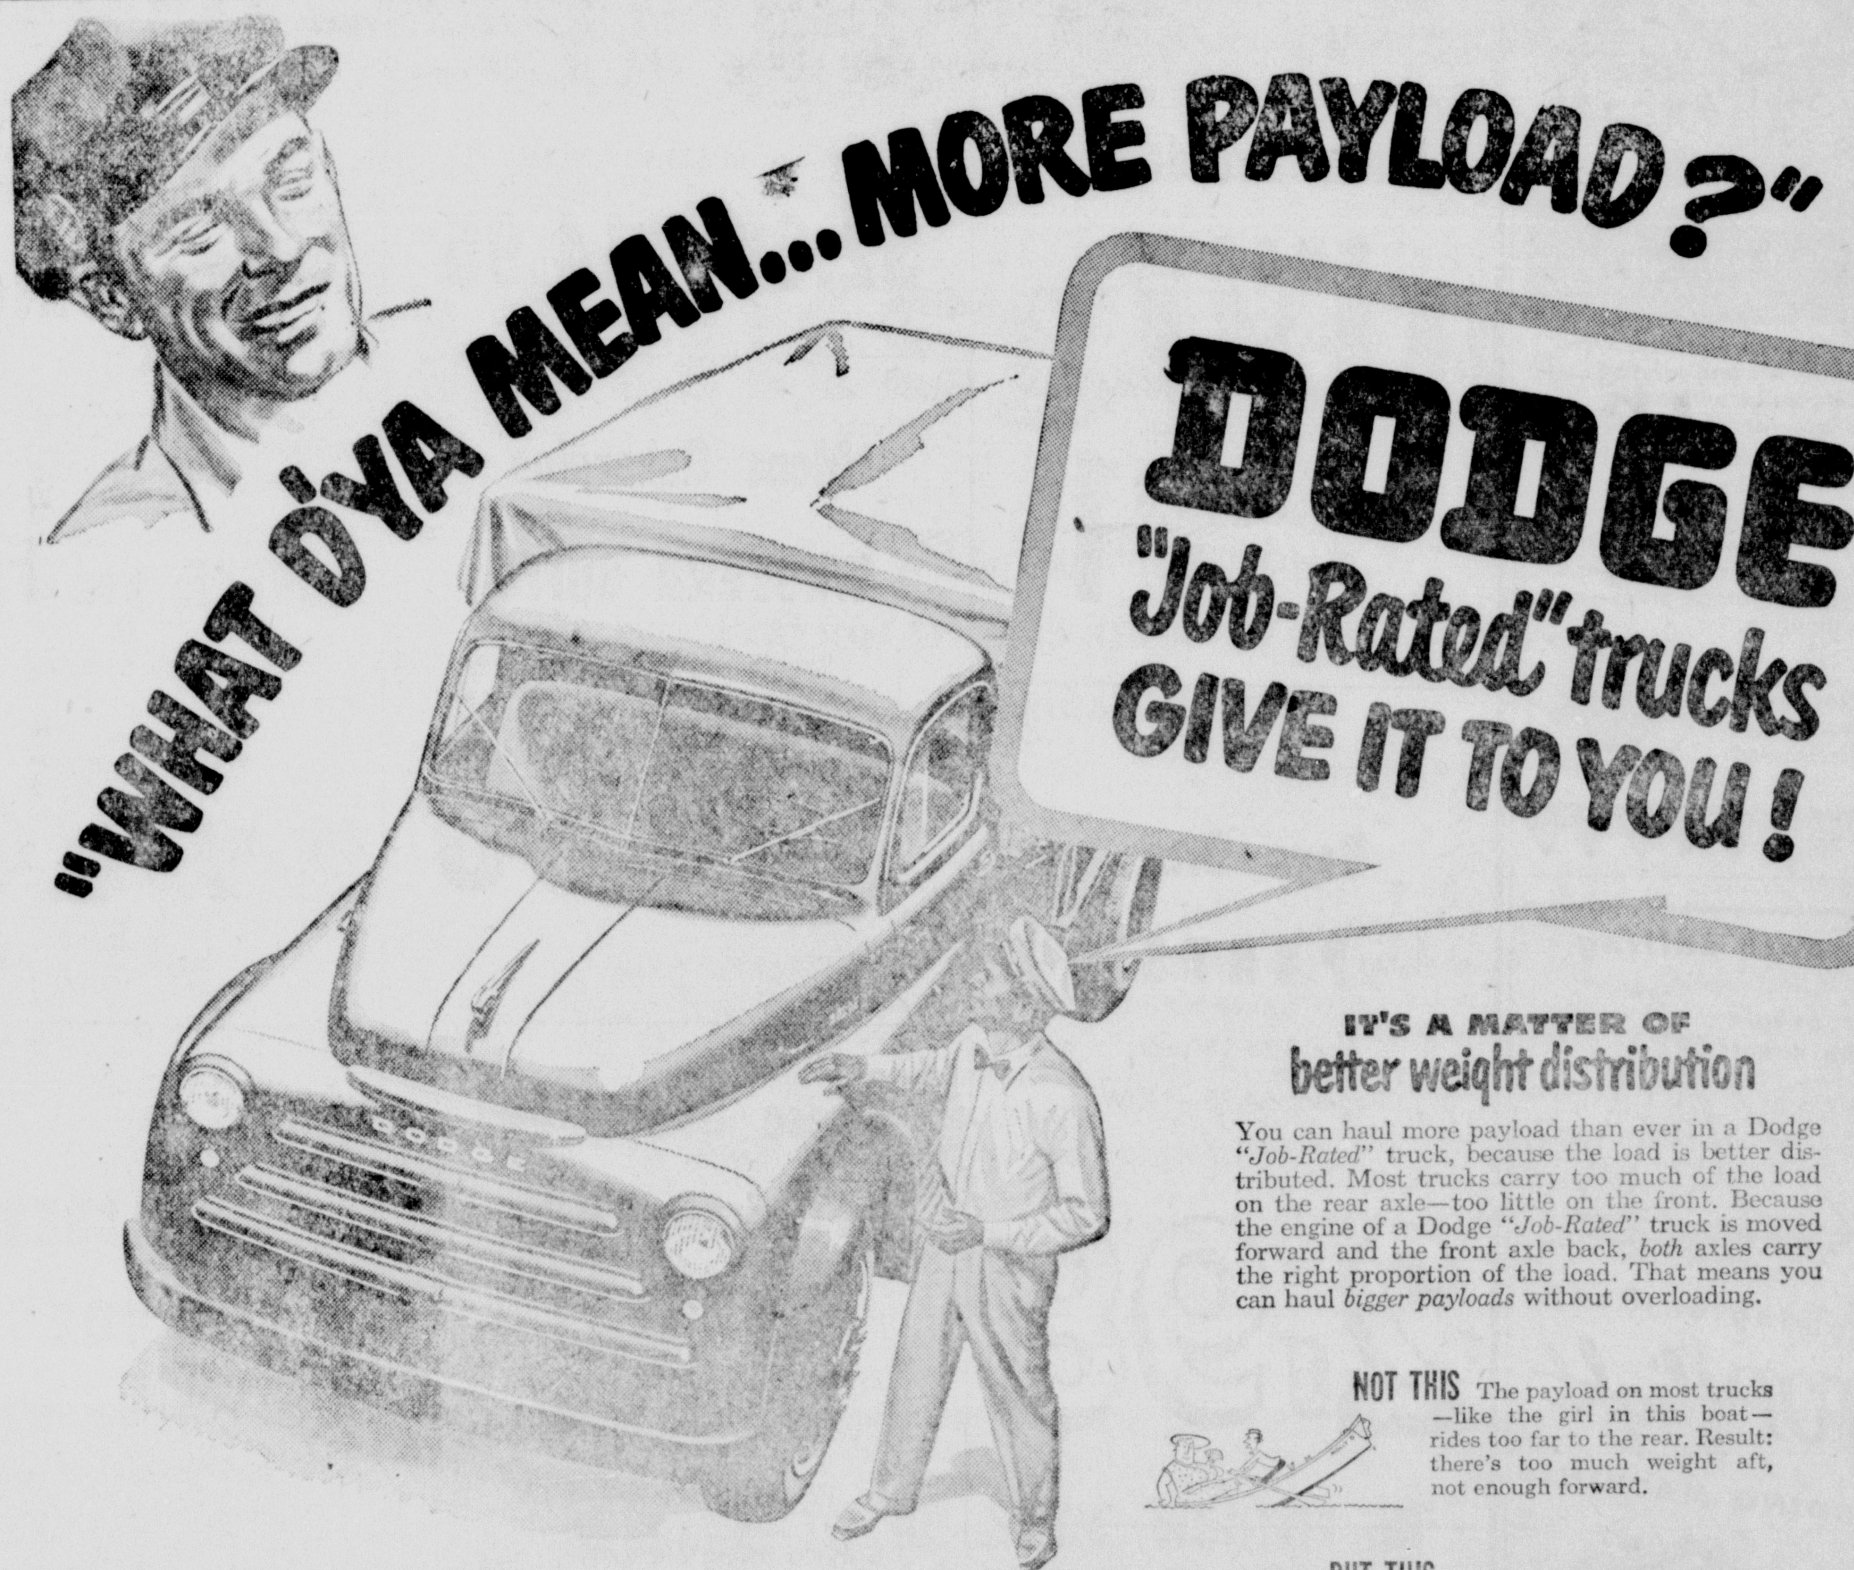

Automatic Electric Blankets

COME IN AND SEE FOR YOURSELF...

- How the new signal-wire circuit that gives you even, luxurious, sunshiny warmth—all night long.
- How the remarkable bed-side control keeps your bed at a perfect temperature for real sleeping comfort.
- How the new G-E Blanket is lighter than ever—harder than ever—how it takes the place of three ordinary blankets.
- How 1,000,000 G-E Blankets are already making Americans "sleep-happy."

G-E Automatic Blankets launder easily and come in four lovely colors: rose, blue, green, and cedar. They're available in sizes to fit any type bed.

West Texas Utilities
Company

IT'S A MATTER OF better weight distribution

You can haul more payload than ever in a Dodge "Job-Rated" truck, because the load is better distributed. Most trucks carry too much of the load on the rear axle—too little on the front. Because the engine of a Dodge "Job-Rated" truck is moved forward and the front axle back, both axles carry the right proportion of the load. That means you can haul bigger payloads without overloading.

NOT THIS The payload on most trucks—like the girl in this boat—rides too far to the rear. Result: there's too much weight aft, not enough forward.

BUT THIS In "Job-Rated" trucks, the load is moved forward—as the girl is now positioned. Results: proper weight distribution—bigger payloads—easier handling.

NEW! gyrol FLUID DRIVE! Available on 1/2-, 3/4- and 1-ton models... for longer truck life, lower upkeep costs. Ask us for interesting Fluid Drive booklet.

Come in today!

WHAT'S HOLDING HER TOGETHER, MISTER . . . FAITH?

Aging cars tend to get a bit loose in the joints. A general tightening-up prevents serious chassis and body troubles later on . . . makes the car smooth, quiet, peppy. Drive your car in for our famous Chrysler-Plymouth tightening-up treatment, done in the approved factory manner. Our specially trained mechanics will give you back a car that acts and sounds like a two-year-old!

Here's what they'll do: (1) Check spring bolts and shackles—tighten if necessary. (2) Check shock absorbers. (3) Check body bolts. (4) Adjust door bumpers and locks. (5) Check rear-axle U-bolts. (6) Tighten battery hold-down

bolts. (7) Tighten rear-axle carrier bolts. (8) Examine U-joint bolts. (9) Check engine mountings. (10) Tighten front and rear bumper support bolts. (11) Check front wheel bearing adjustment. (12) Check exhaust line system. (13) Check sway bars. (14) Check steering mounting. (15) Check dash panel instruments.

UNTIL YOUR NEW CAR COMES ALONG
WE'LL KEEP YOUR OLD ONE GOING STRONG!

Mr. Dan Goldsmith, 3024 Curron Road, Louisville, Ky., owner of Coogla Cut Rate Store at 935 West Broadway, says there just aren't enough words in the English language to praise HADACOL correctly. He says he knows most folks don't realize what a change HADACOL can make in their life if their systems are deficient in Vitamins B, B₁₂, Iron and Niacin.

Here is Mr. Goldsmith's statement: "Before I started taking HADACOL I was run down and nervous—and had a hard time sleeping nights. With my work in the store I have to spend sometimes 14 hours a day on my feet. Since I am in the retail business I saw how many folks were asking for HADACOL so I decided to try it myself. After the first couple of bottles I could tell a definite improvement. Now I have all the pep and energy in the world, my nerves are steady as ever and I really do get a good night's rest. HADACOL is wonderful—I not only take it, but recommend it to all my customers. I praise the day Senator Dudley J. LeBlanc put HADACOL on the market."

HADACOL Is So Different
Thousands are benefiting from HADACOL . . . whose systems lack Vitamins B, B₁₂, Iron and Niacin. HADACOL is so wonderful because HADACOL helps build up the hemoglobin content of your blood (when iron is needed) to carry these great Vitamins and Minerals to every body organ—to every part of the body.

Give remarkable HADACOL a chance and if you don't feel better with the first few bottles you take—you get your money back. Only \$1.25 for Trial Size; Large Family or Hospital Size, \$3.50. If your druggist does not have HADACOL, order it direct from The LeBlanc Corporation, Lafayette, Louisiana. © 1950, The LeBlanc Corporation.

OF INTEREST TO WOMEN

Janet Bonner Honored At Kitchen Shower

A kitchen shower was given last Saturday by Mrs. John F. Green Jr. of Hamlin honoring Janet Bonner.

Tables were laid with silver and blue. Two heart shaped cakes decorated with silver, upon which Janet and Dale were inscribed.

Janet was attired in a grey jersey dress with a corsage of mums with silver and blue.

Those present included: Doris Rodgers, Oleta Kite, Juanes Branscum, Bonnie Beth Jones, Suzanne Hudson, Laura Courtney, Quata Miller, Marilyn Fletcher, Judy Harden, Cecille Albritton, Mrs. LeRoy Rose, Mrs. John F. Green Sr. and Mrs. Harold Bonner.

Several who were unable to attend sent gifts.

It's all right to get in the swim if you watch where you splash the water.

Engagement of Janet Bonner Told At Tea Held Last Wednesday

Engagement and approaching marriage was announced last Wednesday at a tea given by Mrs. Harold Bonner for her daughter, Janet. The engagement is to E. Dale Bever of Granada, Colorado. Guests were greeted by Mrs. Mart Farrow and were introduced to the hostess, the honoree, and Joann Herndon of Wichita, Kansas, and Nancy Adams of Abilene, who will be members of the wedding party. Mrs. J. E. Beard and Carolyn Whitson of A. C. C. are also members of the group.

Mrs. Joe Culbertson directed the guests to the dining room. The tea table was laid with imported linen cut-work. It was centered with a crystal bowl of gladioluses and chrysanthemums flanked by silver and blue candles, carrying out the bride-elect's chosen colors.

Cards announced the wedding date to be December 24. Mmes. W. C. Russell, John F. Green Sr., John F. Green Jr., served.

Guests of over 100 were registered by Mrs. S. C. Byrd. Mrs. Dick Maberry said the goodbyes. Janet is a student at Abilene Christian College, Abilene and will leave for Boulder, Colorado November 25 where she will work in a bank. She will return to be married at the Church of Christ by Mardell Lynch of Oklahoma.

The prospective bridegroom is enrolled at the University of Colorado at Boulder.

How to Solve Fall Flower Problems

★ Stray petals from autumn flowers are easily dealt with by this efficient young homemaker, who whisks them away as they fall with her carpet sweeper. ★

HOMEMAKERS who try to bring the beauty of autumn into their homes in the form of flower arrangements often find themselves regretting the effort.

Stiff-stemmed fall flowers are often difficult to arrange, and when they begin shedding, spread petals in profusion all about them.

If you, too, have reached the point where you feel asters and chrysanthemums are better left in the garden or the florist shop, here are some tips that may help you regard them as more pleasure than bother.

Use crumpled chicken wire in the base of your vase as a foundation for your flower arrangement. First fill the chicken wire with leaves, and then place the flower stems one by one.

If your arrangement seems bunched because of the heavy heads of the flower, include a few sprays of wild grass as background. These will lend balance as well as grace.

As the season wears on, and autumn blossoms become scarce, try using fruit and vegetables as centerpieces. Such homely kitchen provisions as eggplant and squash have rich color tones that can add decided beauty to your home.

Much of the shedding of chrysanthemums can be avoided if care is taken to place them in a spot where they will not be brushed against. Bruised petals are the ones that tend to fall.

When shedding starts, it helps to apply a drop of wax to the base of the loosened petals to hold them in place. This is done by holding a lighted candle over the crucial spot, and allowing it to drip.

To keep stray petals from marring the appearance of your home, keep the litter cleared away as they fall. Carpet sweepers are excellent for quick clean-ups without back-bending.

New models, which function efficiently without arm pressure from the user, make this a near-effortless chore. The trick is in the improved brush action which adjusts automatically to thick, medium or long nap carpets.

Birthday Dinner Held Tuesday at Abilene

Mr. and Mrs. H. A. Johnston of Hamlin were among guests at a birthday dinner for their son-in-law, Dr. T. P. West in Abilene, last Tuesday.

Those attending were: his parents, Dr. and Mrs. E. E. West; Mr. and Mrs. John Stewart, Mr. and Mrs. N. Johnson, all of Abilene; Dr. and Mrs. James Carter of Merkel; Dr. and Mrs. John Hamblen of Snyder.

There are eight furlongs in a mile.

for your Buick

NOW

1. Get your Buick ready to go ahead—so your Buick dealer can give you the big triple-service offer right now—

2. Tune-up, which includes cleaning of air and fuel filters, adjustment of valves, carburetor and distributor—and lots more.

3. Flushing service, including a flush-out—inspection and tightening of all hoses and connections.

4. Front wheel bearings with fresh lubricant—also safety-inspect your front brake linings, where wear shows itself first.

5. Get your Buick in tiptop shape now to do its best this winter. Ask your Buick dealer for his special-offer price and terms (and for an appointment) this week.

Put your Buick in Buick hands

THE UN'S CLARK GABLE?—During the intermission of a New York Metropolitan Opera House ballet performance, Dean Acheson, America's state secretary of state, appeared to be Public Celebrity Number One on the lists of autograph-hunting bobby-soxers. Acheson graciously obliged his fans while other United Nations diplomats returned to their seats.

They proved she shot her husband at close range, because there were powder marks on him. She contended there were powder marks on him beforehand, and that's why she shot him.

The old fashioned wedding ring was a cumbersome affair, made to last a lifetime. The modern ring is very thin and narrow, designed to last as long as modern marriages.

Kidd Home Camp Fire Girls Meet As Sylvester Program

Hamlin's Camp Fire Girls met last Wednesday afternoon in the home of Mrs. Lonnie Kidd.

Billy June Balch, Lone Star Gas representative, is giving the girls a six-weeks training course in cooking. The girls made hot chocolate as their first lesson.

She also gave the girls a lesson on table setting and presented each with a thimble and cook book.

Mrs. Teague furnished refreshments of turkey and cookies. She was assisted by Mrs. H. B. Carter and Mrs. Ned Moore.

Those present were: Sara Fomby, Sandra Carter, Gwendolyn Brown, Donna Jene Kidd, Janis Stinnett, Renee Moore, Sandra Stuart, Retha Sanders, Dorothy Irvin, Joy Hames, Betty Teague, Lupe Lujan, Audra Stinnett, Herlinda Mandoza.

George Washington was born in Virginia, at that time a British Colony.

Pencils, every kind. The Herald

Coronation of the Harvest was feature of the get together.

Candidates and escorts from each grade were: Darlene Josey and Tommy Hood, first grade; Gale and Dale Green (twins), second grade; Wanda Barine and Jimmy Lanning, third grade; Mary Gause and Terry Mauldin, fourth grade; Louise Green and Wyman Early, fifth grade; Joyce Reed and James Hamlin, sixth grade; Shirley Prose and Gerald Hood, seventh grade; Gay Gann and Freddie Parsons, eighth grade; Brenda Gause and Mary Beth Boswell were flower girls. Kay Lawlis, train bearer and Arthur Weatherhead, crown bearer.

VISITS HERE.

Mr. and Mrs. Dawson McCoy and children are visiting in Hamlin this week with friends and relatives. He lives in Dallas and is here on a six-day visit.

Condition Himself

WITH grid activities at their
peak, readers know how much
conditioning means in the per-
formance of a football team. In
boxing, too, as well as a host of
other sports, quick reflexes, good
wind and supple muscles are a
must for the athlete.

Physical health is very much
like spiritual health in that it can
only be achieved and maintained
through discipline and self-control.

Said Paul to the Corinthians,
"Every man that striveth for mas-
tery is temperate in all things." His
words are at sharp odds with those
uttered by modern-day sophis-
ticates who describe tempta-
tion as something to yield to.

As a football player goes through
tough scrimmage sessions to per-
fect his abilities on the field, and
as a boxer seeks to develop his
coordination through bag-punching
and rope-skipping, so must a
Christian exercise his spiritual
convictions and daily strengthen
his faith.

Prayer is, of course, the best
"work-out." Self-expression must
be constantly examined for signs
of pettiness. Jealousy must be
recognized as a weakness of spir-
itual muscle. Lust must be fought
as a decaying influence.

By earnestly seeking out God,
the Christian increases his profi-
ciency at finding God. With each
prayer, the individual can offer a
little more of himself than before.
Each victory over temptation en-
dows the follower of God with
greater strength to resist and over-
come the forces of evil.

By practicing a well disciplined
program of faith and self-improve-
ment, the Christian will find that,
like the highly trained athlete, he
will possess reserves of strength
enabling him to meet life's most
exacting challenges.

Pvt. F. W. Poe, Jr, Is
Basic Airman Now

Pvt. F. W. Poe Jr., son of Mr.
and Mrs. F. W. Poe Sr., of Route
1, Hamlin has completed his Air
Force basic airman indoctrination
course at Lackland Air Force
Base, at San Antonio.

Completion of this course pre-
pared him for entrance into AF
technical training and for assign-
ment in specialized work.

If you want to make the days
pass quickly, buy something on the
installment plan.

Junior Literary Club
Meets in Elkins Home

Junior Literary Club met last
Thursday in the home of Bennie
Elkins.

Rose Brady gave a parliamen-
tary drill.

Doris Rodgers, program direc-
tor for the evening, gave a talk
on "Our Freedom". Barbara Po-
sey gave "Our Freedom In Re-
ligion" and Dorothy Altum gave
"Our Freedom In Home Life".
Kay Bessire gave "Our Freedom
In Education."

Two new members were taken
into the club. They were: Gayle
Estes and Sarah Johnson.

Refreshments were served to:
Dorothy Altum, Kay Bessire, Rose
Brady, Patsy Brown, Eddie Dec-
ker, Laura Courtney, Janet Dur-
ham, Juanita Early, Susanne
Hudson, Marlene Goodgame, Bar-
bara Posey, Eleanor Hutchingson,
Oleta Kite, Gwen Norris, Patricia
Rimmer, Doris Rodgers, Joy May-
nard, Beth White, Bennie Elkins
and Mrs. Bill Shira and Mrs. W.
T. Johnson.

If crookedness and thievery
continue, the life insurance com-
panies had better be selling fire
insurance policies to some people,
'cause they will sure need 'em
where they are going.

Lions View Film
Of Scenic Virginia

Dr. Doyle Blackford brought a
program to the Hamlin Lions Club
at their Tuesday meeting and the
club was treated to a Humble film
which detailed the historic and
scenic wonders of the state of
Virginia.

The film was one that had been
borrowed from the Hamlin school
system and was beautifully done
in natural color. Historic won-
ders of the state which is known
as the birthplace of presidents
were impressively portrayed on
the film.

The meeting was opened with
a pledge of allegiance to the flag
and a Thanksgiving moment of
silent prayer. President Jim H.

King announced that the oath rit-
ual would be a regular procedure
of the club in the future.

John Pigman, Shell Pipe Line
station head, was instituted as a
new member of the club by Lion

Tamer Harry Carmichael.

Joe Culbertson, Carmichael and
Coach Burditt were subjected to
much good natured roasting about

the defeat of A. & M. by the Rice
Owls last Saturday.

Prison walls are not built to
scale.

Maybe it isn't a disgrace to be
poor, but it's mighty inconvenient.

The shortest road to riches is
to spend like you were poor.

De Priest Drama Club Held Meeting Friday

De Priest Dramatics Club held its regular weekly meeting last Friday with the president in charge.

Plans were made to stage a three-act drama in the near future.

John Ben Shepperd To Head State Heart Fund

John Ben Shepperd, secretary of State, as accepted the Chairmanship of the 1951 Heart Fund in Texas, according to an announcement by Dr. George W. Parson, president of the Texas Heart Association.

The campaign will be conducted next February to raise the necessary funds to support the greatest effort ever made in medical history to find the answers to unsolved problems of heart disease.

STAMPS at The Herald.

Basketball Takes Spotlight Among Hamlin High Boys

Close of the football season with last Friday's game with Rotan brought an immediate indication of interest among Hamlin High School athletes in the basketball season to follow.

An enthusiastic group of hopefuls met with Coach Vernon Townsend Monday at noon to formulate plans for the season to come.

Townsend was met by eight returning lettermen which will form the nucleus of the squad and a large group will scrap it out for the remaining positions.

Training will start on Wednesday, November 29, and practice sessions and games will be held in the elementary school gymnasium.

Teams comprising the district in which Hamlin will play are the same as those which made up the football district and first round of play for keeps will send the Pipers to Roscoe on Tuesday, Jan. 2.

The remainder of the first round schedule follows:
Friday, Jan. 5 Open
Tuesday, Jan. 9 Snyder, here
Friday, Jan. 12 Colorado City here
Tuesday, Jan. 16 Merkel there
Friday, Jan. 19 Rotan there
Tuesday, Jan. 23 Roby here

Second Round
Jan. 26 Roscoe here
Jan. 30 Open
Feb. 2 Snyder here
Feb. 6 Colorado City there
Feb. 9 Merkel here
Feb. 13 Rotan here
Feb. 16 Roby there

Townsend dopes the race before games are played as being a five club dogfight in which Roscoe, Snyder, Colorado City, Merkel and Hamlin will participate. There appears to be little to indicate what Roby and Rotan will offer.

Darwin Carter Goes To Dallas Hospital

Darwin Gene Carter, 14, son of Mrs. Flora J. Carter of Hamlin was admitted to the Scottish Rite Hospital for Crippled Children in Dallas last Monday, according to a report made The Herald.

He joins children from all over Texas of all faiths, colors and creeds who come hopefully to the hospital where the staff of surgeons, doctors, nurses and therapeutic technicians offer, at no cost to the patient, the finest medical care obtainable.

In its 26 years of operation, the hospital has treated over 16,000 children in the wards and 6,800 patients through the contributions and gifts of the general public.

Optometric Society Is Attended by Blacford

West Central Texas Optometric Society met Sunday in the office of Dr. Grady Jolly of Abilene. Scientific papers were presented by Dr. T. R. Ellinger of Abilene. A specially prepared movie on phases of vision followed.

Present at the meeting were: Dr. Doyle Blackford of Hamlin, Dr. Theron Lewis, Dr. T. R. Ellinger, Dr. John Dressen, Dr. Woody Hambrick, and Dr. Jolly, all of Abilene; Dr. Charles Cleveland of Cisco; Dr. Merle Ellis, Dr. R. A. Ellis, both of Brownwood; Dr. Marshall Jolly of Ranger; Dr. John Majors of Sweetwater; Dr. Marvin Majors of Colorado City and Dr. A. T. Taylor of Ballinger.

Pvt. Joe M. Clements Completes Training

Pvt. Joe M. Clements, 20, son of Mr. and Mrs. I. Clements of Hamlin has completed his Air Force basic indoctrination course at Lackland Air Force Base, at San Antonio.

This basic training has prepared him for entrance into AF technical training and for assignment in specialized work.

De Priest Tigers Take On Tahoka Friday

De Priest Tigers' first basketball game will be played next Friday night at 8:00 against the Tahoka Bulldogs at the High School auditorium.

A small admission charge will be made.

SUPPLIES at The Herald.

Hooray For Your Side!

When the signals have all been called and the game won, invite your crowd home for cups of hot, hot coffee and this mouth-watering Coconut Devil's Food Cake. Whatever the scoreboard shows, there will be cheers for your side when you serve this perfect combination of food after the game, as a climax to the excitement and fun.

COCONUT DEVIL'S FOOD CAKE

2 cups sifted cake flour
1 teaspoon soda
1/2 teaspoon salt
1/2 cup shortening
1 1/2 cups Beet or Cane Sugar
1 egg and 2 egg yolks
3 squares unsweetened chocolate, melted
*Milk (see below for amount)
1 teaspoon vanilla

*With butter, margarine, or lard, use 1 cup milk. With vegetable or any other shortening, use 1 cup plus 2 tablespoons milk.

Sift flour once, measure, add soda and salt, and sift together three times. Cream shortening, add sugar gradually, and cream together until light and fluffy. Add egg and egg yolks, one at a time, beating well after each; add chocolate and blend. Add flour alternately with milk, a small amount at a time, beating after each addition until smooth. Add vanilla. Turn into two deep 9-inch layer pans which have been lined on bottoms with paper then greased. Bake in moderate oven (350° F.) 30 minutes, or until done. Spread frosting between layers and on top and sides of cake, sprinkling generously with shredded coconut while frosting is still soft.

A jury is one thing that won't work right when it's fixed.

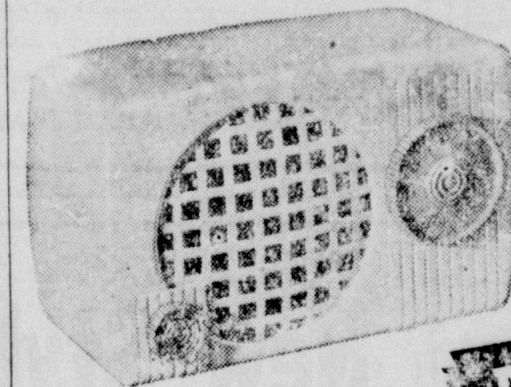

You can't make a good hand out of a heel.

You can judge a man as well by his foes as by his friends.

We'd rather have a wart on our nose than a debt on our hands.

Seeing is believing

no other range is as fast or as efficient as a modern gas range

Speed you can see. Bring 1/2-inch of water to a boil. Add vegetables and cover. Time required—two to three minutes! Turn burner to simmer speed which completes cooking.

Warm up a gas burner? You don't have to! The second it's on, it's at maximum heat. No other range can be fast as gas. Or as efficient. The flame gives tailored heat—fits itself to any size or shape pan. Less waste heat.

With a single oven range, only if it is gas can you bake and broil at the same time. You can bake rolls, potatoes and a casserole dish while you broil meat in the separate broiler.

"Claims" of speed don't mean a thing. But seeing is believing. Here you see why gas is fastest and most efficient—why 96 out of 100 women in this area cook with gas.

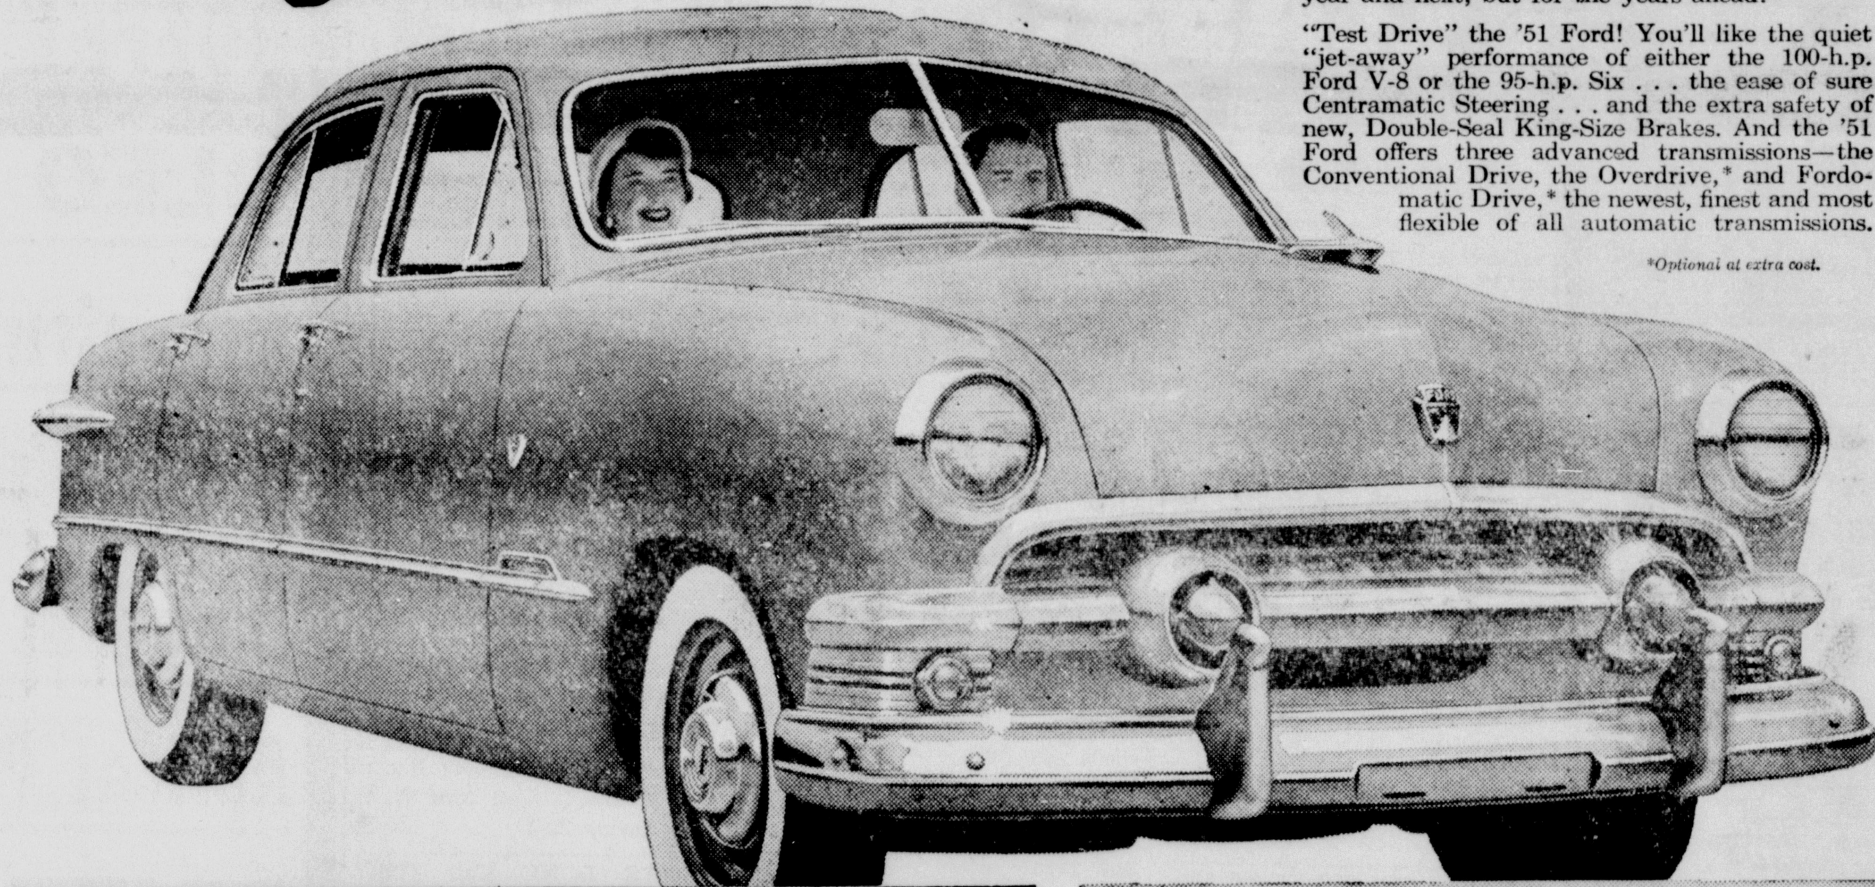

If your range has seen its best days, now is a good time to get a modern gas range. They cost less. They operate for less than 1/4 the cost of non-flame ranges. Gas burners last a lifetime; don't burn out. No special, expensive utensils are needed. No costly installation charge is added to the purchase price. Buy a modern gas range.

On display and sale almost everywhere

Modern Gas Range
LONE STAR GAS COMPANY

Here today! THE '51 FORD STEPS AHEAD ...FOR THE YEARS AHEAD!

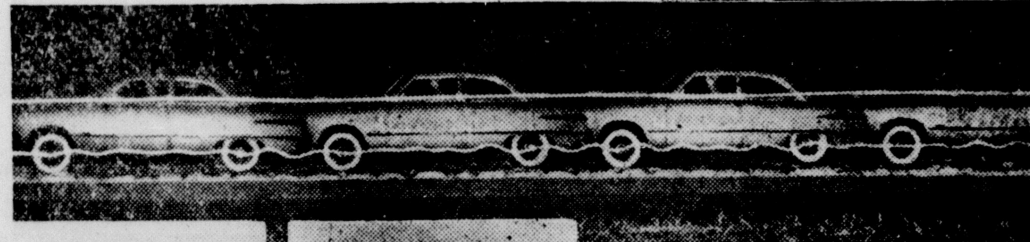

WITH 43 NEW "LOOK AHEAD" FEATURES

See It Today at your Ford Dealer's—the '51 Ford! It's the newest Ford! It's the finest Ford! And it gives you 43 new "Look Ahead" features—engineered and built into the car not just for this year and next, but for the years ahead!

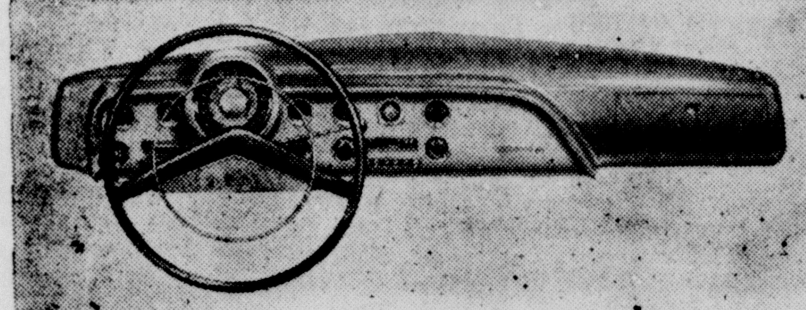

"Test Drive" the '51 Ford! You'll like the quiet "jet-away" performance of either the 100-h.p. Ford V-8 or the 95-h.p. Six... the ease of sure Centramatic Steering... and the extra safety of new, Double-Seal King-Size Brakes. And the '51 Ford offers three advanced transmissions—the Conventional Drive, the Overdrive,* and Fordomatic Drive,* the newest, finest and most flexible of all automatic transmissions.

*Optional at extra cost.

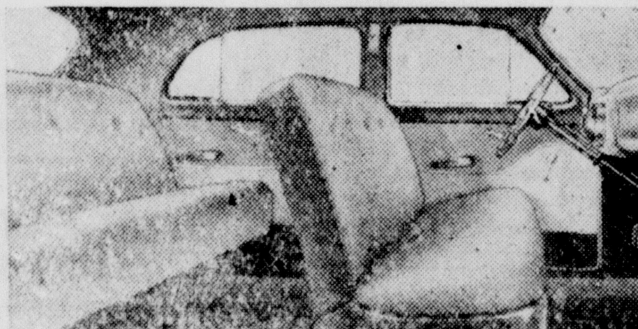

NEW AUTOMATIC RIDE CONTROL

... a new and unique springing system which automatically adjusts spring reaction to road conditions. Advanced "Hydra-Coil" Front Springs and new Variable-Rate Rear Spring Suspension team with new "Viscous Control" Shock Absorbers to give you an easy ride—a level ride. Schematic illustration above indicates how car stays level when going is roughest.
